He had learned with great satisfaction that cre-Gun-boat Opoerum, and was in a dition, fined \$1 | dirors to the amount of between £3,000,000 and After the sentence was passed on him Mr. Aloy the course which was then proposed - (Hear, hear) he chief interpreter charged him with contempt | -and that circumstance afforded the best possif court, he having at first given his name as ble guarantee for the successful completion of the Heaven," and on the question being repeated work in which they were then engaged. He had Mr. Aley stated that although he several times sition of the directors. Shortly after the failure warmed prisoner that he would be punished if he of the bank it was proposed by some gentlemen efused to tell his proper name, he persisted in of high authority in the commercial world that giving the answers before mentioned. He also the Liquidator should either be one of the divec-

Agra and Masterman's Bank An extraordinary general incetting of the shareolders of this bank was held on the 22nd inst., at submitted to the meeting. (Loud cheers.) the London Tavern, for the purpose of a lopting company and appointing Mr. H. H. Cannau, of considerable cheerings

The Chairman Col. Holland said, that the resolution which he had then to move, had been framed in strict compliance with the provisions of the Act of Parliament. If an order were obtained from the Court of Chancery for the voluntary winding up of the . The Ganges and Sucoada have both come company there was nothing in the resolution to in from Shanghai this morning with dates to prevent them on the very next day from respen- the 5th and 6th. The news is not of a striking the bank. The resolution which he had to propose in conclusion was as follows:—" Whereas, ed it is regularly that it has been proved to the entisfaction of this meeting that the compay cannot by reas in of its limbilities continue its husiness. and that it is advisable to wind up the same; an l it is further resolved that the Court of Chancery be applied to for an order for the voluntary winding up of the company under the supervision of the Lake.

Mr. Connan read the following "approximate statement of the affairs of the company on the 6th of Jape, 1860."-Beimuted amount of linbilities in London, £5,356 032. Against this there were unlug of the practs at all the branches, after deductinbilities were £7,906,893, and the assets £9,057-Observ.)

pursued, and he hoped their efforts would not be made in vain, with a view to bring the affairs of the bank to a satisfactory conclusion. (Hear, hear.) They were all aware that it was impossible to a lyance one sten in that course without these circ imstances the first, and indeed substanof the aff are of the company under the superviing. The only alternative, practically speaking. gerate the advantages of such a mode of proceed-

on behalf of the shareholders, and the other on behalf of the creditors; and the whole business might is to be made our of the taw material. of that bank, they must not be too sanguing with ev n though it should full into the water far short tespect to the limitation of time—the result, he of its mark. believed, would be, that after no great lapse of time, the as ets of the bank would be realised, and not only would the arediture be paid in full, but a sum would be placed at the disposal of the abuteholders sufficient, if not to remedy all the evils that had fallen upon them, at least to meet a great portion of their great exp orations. But the great object they should for the mument have in view was to avoid any dissension which could prevent the attainment of that desirable end. He knew he was addressing a number of gentlemen who had suffered most severely from the failure of the bank, and some of whom might enterprin suspigions that there had been missionagement; that there had been some things done of which they had good reason to complain, and into which ther were unfounted y entitled in u quire, and who might wish at unce to proceed to such an inquiry. He could allow for their auxiety monthat subject; but if the meeting desired that that great evil should un far an possible be ted-essed, it they desired that the assets should, with the least practicable amount of delay he realised lie would earnestly urge upon them to postpone for the present all inquiry of any kind into the affairs of the bank, and to proceed at arce to decide upon the immediate question, which was submitted to them | -new. in order that the first step for the valuntary winding up of the company might be taken. (Cheurs.) They had heard the antenient which had been nade to them by their accountant. He had felt it his duty, as he had been requested, to interpose EXCHANGE :in these proceedings the hid felt it his duty to make some inquiries into their position; but all that he then felt himself at liberry to state was that he i'd not see the slightest | On Paris - Coolits, 6m/s., 7.774 per Tuel: reason to question the substantial occuracy of

Garlbaldi on the Lake of Como. A letter in the Daily News from Hellaggio on the Lake of Como, dated June 14th gives the following account of Garibaldi's recent progress up the

By the dwellers on the shores of the Lake of Como, and by the few strangers who, proof against heat and war rumours, were still sojourning amongst them, and fortunate enough to share with them the spectacle of Garibaldi's trimmphal twogress from Come to Lecco, yesterday was a day ing to £5.227,552, allowing a deficiency in London which will not easily be forgotten. Over-night not of £128,430. The total amount of liabilities at all the branches—Paris. India, China, and Austra-the branches—Paris. India, China, and Austra-the smounted to £2.558 and the estimated have in eight at an early hour in the morning. the branches—rans. Trans. the estimated have in esgue as an energy branches and the estimated with the general on hoard, had any living soul here an inkling that he had left Como. Yet, surplus at the branches of £1,279,054. The total down on the shore, flags were heisted everywhere, cannon were firing, and the village band, having £50,000 of three-fourths of the capital of the bank. The Chairman said he had next to request playing the well known hypna as the steamer drew playing the well known hypna as the steamer drew op to the landing-place. If, in spite of the world and as one of the first hypnastic pressure pres man of great experiens and kniwledge of the world, and as one of the first lawyers in Eugraphical to be so good as to address the meeting.

Garibaldi's movements in obscurity, such crowds are still found collected everywhere to get a sight of him, how would it be if his plans were generally. newed cheering and proceeded to say that as it known beforehand? As it is, although his apbad fallen to his lot to have become the trustee for a family largely inversed in that bank, and as, although that was a minor consideration, he needed to his enemies. Garibaldi seems, after all, to run pensessed some interest in it himself, be had been a much greater link of being bugged to death by

peasessed some interest in it himself, he had been his lovers than elain by his haters.

required by several shareholders to attend the So far, however, the hugging appears to have cupations he had felt it his bounden duty to comply with that request. (Cheera.) They had assembled for a very important purpose; they had assembled to determine on the course to be purposed and he have this statement of the course to be constructed and he have this statement of the course to be constructed and he have this statement of the course to be constructed and he have this statement of the course to be constructed. teer buth seems to have fresheard him up mar-vellously, and he looks now as full of work and spirits as he looked then out of heart, and bored. . The reception at Lecco was, if possible, even more enthusiastic than that accorded to him two: days before at Come. Whin our steamer was could give validity to their proceedings. Under the assembled named a mile from the above, and these give materiage the first and indicated the assembled named as a mile from the above, and these circ imatrices the first, and indeed substantially the only, proposal to be made to them that day was that they should agree to a resolution—and he camestly trusted they would do so unand he camestly trusted they would do so un- landing-place. All along the gazy, which was animously—affirming that the Court of Chancery lined by the 3d Regiment of Volunteers, the wild-should be applied to for a voluntary winding up est enthusiasm reigned, and as Garibaldi stepped est enthusiasm reigned. ashore flowers were showered down upon him sion of that Court. It was impossible to exag. from every window and balcony which come a As for the 3rd Regiment of Volunteers-but a

would be what was called a compulatory winding aingle one of whose six een companies is as yet up, the concept of which would imquesionably be that the whole property of the armed; while even their company is still in bank would ultimately become glet them pardon uniformed-I must o mices that its general aphim 'or using the expression—the new of the law. pearance struck me as particularly ragged and (linud ories of " Hear, hear.") No step could in unpromising, whose headquarters are at Como. that case his taken, no resolution could be adopted, Were yor to club together the first fifty fellows you that case hi taken, no resolution could be ad speed, without a motion in court through he did not know how many solicitors and how many counted, but attend d with andless expenses; and then the result would follow which had been seen to follow in so many similar cases—namely, that the property of the country would lattest along their disappear, and creditors and sharoholders, directors, agents, and leven servants, would be involved in one common lisappointment, and perhaps ruin. (Renewed cries of "liear, hear,") The advantages, on the other hand, of a voluntary winding up were, that it might be shouted on a simple application to the Court of the special of the latters about the land, of a voluntary winding up were, that it might be shouted on a simple application to the Court of the special of the latters about the land, of a voluntary winding up were, that it might be shouted on a simple application to the Court of the special of the latters about the land, of a voluntary winding up were, that it might be shouted on a simple application to the Court of the special of the latter and the strick in the (than cary; that if that application were supported than neglected at Garibaldi's feet to stick in the by the unanimous or the almost unanimous, recommendation of the shareholders and of the pride with which each one marched away with his creditors, it would be granted as a matter of trophy, I felt that I was doing them a great incoarse, that an official liquidator, or two liquidators—one to represent the company and the other that could be desired, the most fastidious critic and that these gent men might at once proceed would have been puzz'ed to find any fault with the to wind up the affairs of the bank, to realise its | officers, who, without exception, looked very smart, assets to the ratisfaction of the creditors, and to active fellows. In Coloned Bruszesi, who has

hear.) And all that would require the suploymeans of at the most, only two sufficients, one to act trusted friends and companions, the 2d Rogs, has a communiding officer who will make of it whatever The enthusiasm displayed everywhere during cable or even a more vable in a proceeding of that magnitude. (Hear; hear.) The result he believed. | bable. Wherever the steamer stopped it was surwould then be that after no great lapse of time rounded by swarms of country tolk in small bosts. and every village girl beought her buile of flowers. her and the distance of the branches and agencies content to have thrown her offering to distibaldi,
